

Order form for the AD 2000 Code on CD

(Current as of 1 January 2020)

Product selection and price list

I/we wish to order..... copy/copies of the **AD 2000 Code on CD – English Translations** (Order no. 11778), comprising all AD 2000-Merkblätter that are valid and available at the time of delivery. They will be supplied in electronic form (“basic package”, currently over 100 documents) at the price of EUR 1,415.13 per package (excl. 7 % VAT and shipping costs). I also wish to sign up for the subscription for updates (which is not included in the basic package and is subject to separate payment).

The basic package is only available in combination with a subscription for updates. You will receive regular updates during the subscription period. Each update will contain the new issues of AD 2000-Merkblätter in electronic form on CD. The price of each update depends on the number of documents it contains.

The update subscription period will run until the end of the calendar year as a minimum. The subscription for updates will be renewed for a further year unless cancelled three months before the end of the calendar year or renewal period.

Permission to save AD 2000-Merkblätter in a company intranet to enable access from more than one workstation requires the purchase of a multi-user licence, which needs to be acquired separately in the form of an annual licence fee to be paid by the licensee. The licence fee is dependent on the number of work stations with access authorization (simultaneous access). If these parameters change, the licence issuer can adjust the licence fee accordingly. If there are changes to the number of work stations with authorized access to the company intranet, the Licensee is obliged to give details of these changes immediately, in writing, to the licence issuer.

The electronic AD 2000-Merkblätter will be used as follows (please select as appropriate):

- ☐ at a single work station
☐ in a company intranet; no. of work stations with access rights
(simultaneous access) according to the following table:

No. of simultaneous users	Annual licence	Tick here
1	2,680.00 EUR	
2 - 5	5,360.00 EUR	
6 - 10	10,720.00 EUR	
11 - 20	16,080.00 EUR	
21 - 50	21,440.00 EUR	

(All prices in euros excl. 7 % VAT)
